

# DEFENCE INTERNATIONAL TRAINING CENTRE

DITC Student Accommodation Blocks General Rules and Guidances

---

### DITC STUDENT ACCOMMODATION

DITC have cleaners who perform the following duties in your blocks;

1. Clean toilet and shower areas (but it is up to you to keep floors dry),
2. Vacuum floors in the common living area,
3. Empty bins in common living area,
4. Place clean sheets on bed prior to your arrival. Sheets can then be changed once per week by the student, and
5. Dust furniture in the common living area.

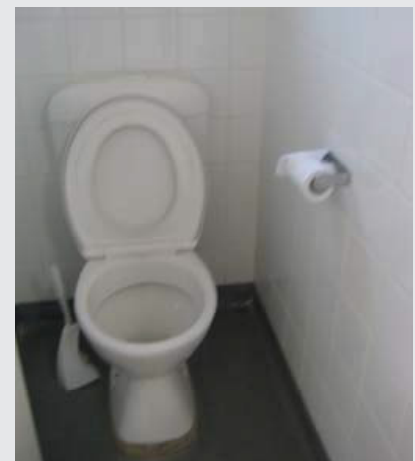

### SECURITY

1. Don't leave valuable items lying around on display.
2. Use the Safe in your wardrobe in your room for storage of your valuable items.
3. Keep the safe locked when you are not in your room.

### BATHROOMS AND TOILET FACILITIES

1. Toilets in Australia can take toilet paper.
2. Make sure that you take a shower daily (with soap!).
3. When using the bathroom, shower and toilet floors please clean up after yourself. Australian bathrooms are kept dry.
4. Use bathroom sinks to wash your face and hands only.

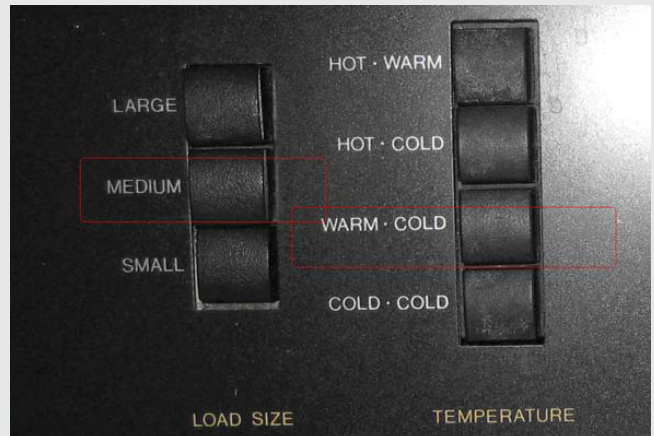

### USE OF WASHING MACHINES AND DRYERS AND IRONS WASHING MACHINES

#### WASHING MACHINES

1. Check the power is switched On at the wall
2. Check water taps are turned ON
3. Set temperature to warm/cold
4. Set load size to medium
5. Set time by pushing IN knob and turning to the time required (10 – permanent press)
6. Pull knob Out to start machine
7. Taps may be left turned On
8. Do NOT put detergent and fabric softeners into the centre tube. Put it in the main bowl.

Jumpers. Either hand wash in warm/cold water or dry clean. **DO NOT** wash in washing machine. For additional information lift the lid of the washing machine and check Operating Instructions

### DRYERS

1. Switch power On at the wall and turn On Exhaust fan
2. Load the clothes, then close the door and start the dryer by pressing a button

3. Spin dry clothes in washing machine before placing in dryer
4. Set temperature to **warm** for all clothes
5. Set time to **90 Minutes**
6. Use **hot** setting for towels only

7. After finished drying clothes, check lint filter located in the door and remove built up lint

### IRONS

1. Use ironing board when ironing

2. Fill iron with water

3. Plug iron into power outlet and switch On
4. Set temperature to **Steam Cotton**
5. Let iron heat for two minutes before ironing
6. **Empty water when finished ironing**
